THE UNIVERSAL CAR

The Ford Sedan, with electric self-starting and lighting system and demountable rims with 3 1/2-inch tires front and rear, is a family car of class and comfort, both in summer and in winter. For touring it is a most comfortable car. The large plate glass windows make it an open car when desired, while in case of rain and all inclement weather, it can be made a most delightful closed car in a few minutes. Rain-proof, dust-proof, fine upholstery, broad, roomy seats. Simple in operation. Anybody can safely drive it. While it has all the distinctive and economical merits of the Ford car in operation and maintenance. Won't you come in and look it over?

A Musical Treat.

A large audience of Lexington music lovers were entertained at the home of Mr. and Mrs. W. F. Hinesley last Tuesday evening, when Miss Jean Brightwell of San Diego, California, gave an informal musicale.

Miss Brightwell is a lyric soprano. Her voice is beautiful in quality and her interpretation always artistic.

Miss Brightwell was assisted by a local tenor, Mr. Edward Aull, Jr., who was heard here for the first time. His singing measured up to the many complimentary opinions advanced and his work was enthusiastically received. He is the fortunate possessor of an excellent voice and many requisites that indicate a successful singer.

They were on their way to a vacation in the Ozarks, where Mr. Earle owns a summer home. Their injuries are not serious. Mrs. Earle was formerly Miss Frances Young, of this city.

Kansas Citizens Here.

The Pathfinder Car of the Young Men's Division of the Chamber of Commerce of Kansas City, Mo., was in Lexington Saturday, making arrangements for a tour to be conducted by that body through central Missouri, September 2nd, 3rd and 4th.

These trips have been made by the Young Men's Division for the last five years and have been a great stimulus towards good fellowship already existing between our local citizens and the business men of Kansas City.

There will be about 150 men and women in the party visiting us in September. There will be music and speaking and an opportunity to meet old friends and make new ones. It is not a Trade Extension Trip, but a trip of good fellowship intended to knit more closely together the interests of Missouri.

The Pathfinder Car was one of the new McFarland cars, a custom built machine, furnished by the DeBusman Motor Company of Kansas City.

In the car were the following men:

A. J. Bretchel, Manager, Studdebaker Corporation.
E. L. Skaggs, Vice President, Live Stock State Bank.
Harry S. Frazer, Secretary, Union Bank Note Co.
C. A. Spaulding, President, Spaulding Electric Company.
Fred Katzmaier, Secretary, Treasurer, Katzmaier Coal Co.

Stolen Motor Car Recovered.

The Ford motor truck belonging to the Lafayette Telephone Company, which was stolen last Tuesday night, was located in Kansas City Monday when an attempt was made to sell it at a garage. Ed Bly, 15 year old, who told the officers his home was in Rosedale, Kansas, had the car. He was arrested and brought to Lexington Monday night by Officers Seitz and Gaffin and Albert Chamblin, who went to Kansas City Monday afternoon after the car. The young man was placed in the county jail to await the action of the juvenile court. He had a companion who has not been located.

The boys says he came to Lexington with another boy, unknown to him, looking for work. The car was abandoned near Sheffield and secreted out in the brush. Monday he drove the car to Kansas City, where he was arrested. A rude attempt had been made to cover the lettering on the car. Nearly all of the tools had been disposed of.

Athletics Defeated Again.

The Lexington Athletics were defeated at Higginsville yesterday by the score of 6 to 4. The Higginsville boys started right off the reel and made a pair of scores in the first inning. Lexington came back in the third and counted once, and in the fourth three more; but Higginsville soon tied it up and a little later went ahead.

Clayton-McGowan.

Allen G. Clayton and Miss Lillian McGowan, both of Lexington, were married Saturday night at the Presbyterian Manse, Rev. Robt. L. Cowan officiating.

District; C. L. Kenney for Assessor, and Chas. H. Swift for County Surveyor.

The Republicans had a contest for all of the state offices, but only one for a county office, that of sheriff.

Vacation Time

as we all know but sometimes fail to provide against, is "rush season" for the robber. You can guarantee that should he favor your home with a call it will be a most discouraging and unprofitable one.

In the massive vault of this institution, absolute safety for valuables is afforded.

The cost of a box is nominal; the peace of mind resulting too great to be ignored.

Mayview Bank Robbed.

Thursday night the bank at Mayview was broken into and robbed of Liberty bonds, securities, notes, jewelry and other valuables from safety deposit boxes. Entrance was gained through a rear door. A hole was cut through the side of the vault with pick and sledge, which had been taken from a section house. The safety deposit boxes were found later about a mile and a half from town, where they had been rifled. Here also was found the negotiable paper, deeds, registered Liberty bonds, etc., that could not be of use to parties other than the rightful owners.

A peculiar feature of the proceedings was that the night telephone operator saw a large car without lights circle about town for a long time near the bank, and during all that time she heard an unusual pounding. The two out-of-the-ordinary incidents didn't arouse her curiosity sufficiently to give the alarm. The safe where the cash was kept was not disturbed.

Cubs 15; Wellington 2.

The Lexington Cubs defeated the Wellingtonites Sunday at Wellington, by the lop-sided score of 15 to 2. Hicklin, Wellington's star hurler, was driven from the box in the 7th. The Cubs hit everything the Wellington hurlers offered. Bardett finished the game for Wellington and gave up seven hits.
